Tel: 0096170219787
41 years, married. Lebanese nationality

ZAKARIA Ahmad

EDUCATION	
2019-2023	**PHD student in faculty of literature and the Humanities-Arabic language (Jinan University):** Computational linguistics and their application for extracting verbs of speech and their semantics in the Holy of Quran.
2008-2023	**Teaching in Lebanese university (IUT-Saida) and faculty of education, institute of social sciences, Jinan university-Tripoli-fac. of business, science, education and humanities. Teaching in the public technical institute:** Ayan Al-dahab Akkar and meshmish, metraniye.
2016-2018	**Training of managers and Secondary School Teachers public in Lebanon**
2007 - 2008	**Master 2 Research Informatic & Electronic Electro technical automatic (Telecom):** Circuits, micro systems & Nanotechnology for high frequency and optical communications (XLIM Faculty of technical sciences of LIMOGES FRANCE)
2006 - 2007	**Master 1 Electronic Electro technical Automatic:** Circuits, micro systems & Nanotechnology for high frequency and optical communications (XLIM Faculty of technical sciences of LIMOGES FRANCE)
2003 – 2006	**Bachelor of science, computer science engineering and DUT Telecommunication, academic Institute at Lebanese university Saida.**

PROJECTS	
March 2006– June 2006	Programming Project, development a web application for municipality administration, Visual Basic 2003 & SQL SERVER, University Institute of Technology, Saida - Lebanon
March 2005– June 2005	Design & Installation of Wi-Fi Network, University Institute of Technology, Saida - Lebanon

TRAINING	
February 2008- June 2008	Training Electro Thermal simulation Heterojonction Bipolar Transistor de puissance at Department Components Circuits Signaux and Systems high frequency (C^2S^2 BRIVE FRANCE)
March 2006 – April 2006	IT Training, Software development, municipality administration, Microsoft Access, Lebanese University, Faculty of engineering
July 2005– Sep 2005	Telecommunication Training Ogero Lebanon

SCIENTIFIC KNOWLEDGE	
System Administration	Active inspire**,** MO, Installation, administration & integration of local and external network machines under operating system (O.S.), Windows ,SPSS & LINUX.
Simulation Soft wares	Tools CAO: ADS (Advanced design system), Matlab, Cadence, ANSYS and MiniNec.
Electronics	High Frequency Electronics (Linear & Non Linear active circuits) , Electronic Micro Node Devices. Technology MMIC . VB 2003, C, C # .
IT	Relational Database Management System (MS Access).

LANGUAES	
Arabic	read, write, and speak (Native language, Lebanese accent).
French	read, write, and speak (My studying language)
English	read, write, and speak (High level)
