PROFESSIONAL EXPERIENCE

2022 – present
Tripoli - Lebanon

Educational Technologist.

Company: Pedagogy

At PEDAGOGY Company , I'm responsible for developing digital books for educational purposes. We design and create interactive and engaging e-books that align with curriculum standards and learning objectives. We often collaborate with educators and instructional designers to ensure that the content is pedagogically sound and caters to diverse learning styles. They may also incorporate multimedia elements, such as videos and interactive quizzes, to enhance the learning experience. Additionally, We stay updated on e-publishing trends and technologies to produce high-quality and innovative educational materials.
