Hiring Committee,
Tripoli ,University
Tripoli ,Lebanon

Dear Hiring Committee,

I am writing to express my sincere interest in an academic position at Tripoli University .With a Master's degree in Applied Mathematics and a strong background in tutoring and education , I am confident in my ability to contribute meaningfully to your institution's academic excellence.

I hold a Master 2 in Applied Mathematics from the Lebanese University , where I focused on the stability of solutions to elliptic problems with advection . Additionally , I have a Master 1 and a Bachelor's degree in Pure Mathematics . My academic path has equipped me with deep analytical skills and proficiency in tools such as MATLAB ,LATEX , and Microsoft Office , as well as a working knowledge of C++ programming .

Since 2018 , I have been engaged in private tutoring for middle and high school students and currently serve as a tutor at Mrah sreij school in collaboration with UNICEF . These experiences have sharpened my communication , teaching, and curriculum development skills. I have also completed several professional development program and the "work Ready Now" training ,which enhanced my workplace readiness and problem-solving abilities

I am passionate about teaching and dedicated to supporting student success . I would welcome the opportunity to bring my expertise and enthusiasm to Tripolie University and to contribute to your educational mission.

Thank you for considering my application. I look forward to the opportunity to discuss how my background , skills and interests align with the needs of your university.

Warm regards,

Alaa M. Awada
